

EMIRATES PILOTS Joining Medical Requirements

Emirates Pilots are required to undertake a full and extensive medical in order to be issued with a Medical Certificate by the General Civil Aviation Authority (GCAA) in Dubai. The medical will be conducted by an aviation doctor at the Emirates company clinic on joining and is a pre-requisite for employment within the Emirates Group. The following information will assist you in ensuring that you do not have any condition that may prevent you from obtaining the medical certificate.

Note: Emirates will not reimburse the cost of any medical tests, vaccinations, dental checks or treatment that may be required to satisfy these standards. All laboratory and radiology reports must be uploaded on candidate portal. Original test results & reports must be brought with you when you travel to Dubai.
